

Ref.: SSAHF051

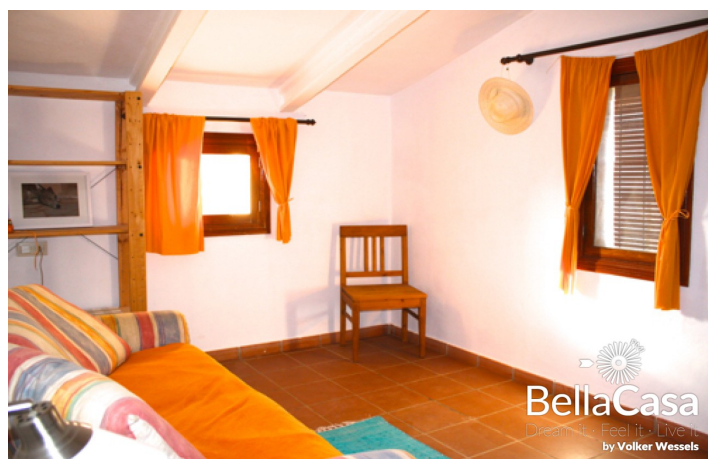

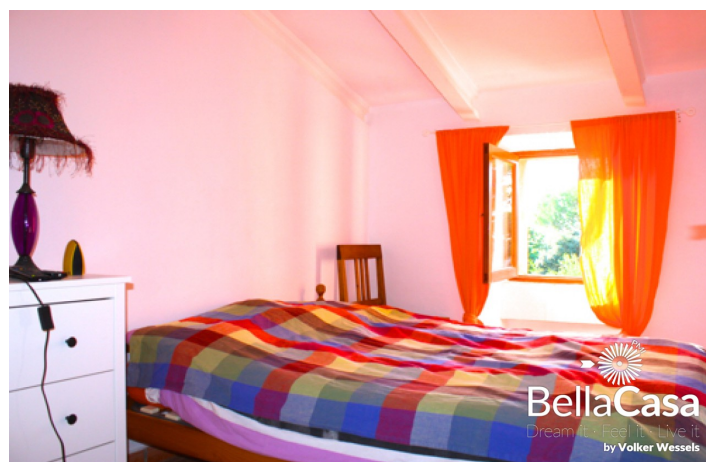

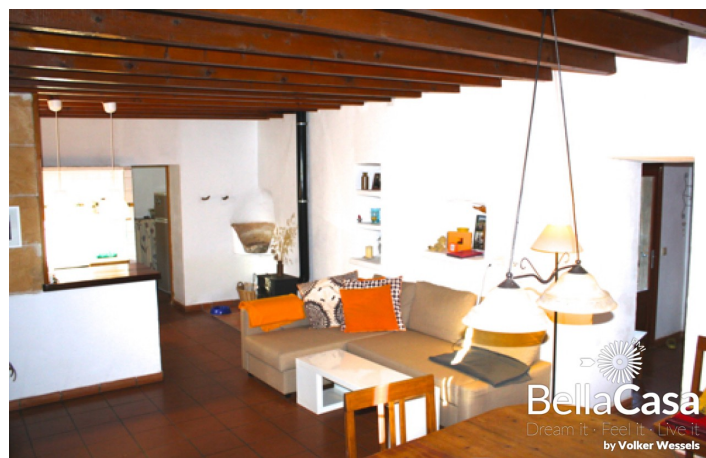

Price: 1.490.000 €

City: Ses Salines

## Vertu: Historical property near Ses Salines with 6 hectares land

This historic building on 62,149 sqm land has everything what a true Mallorca lover is looking for. The origin bulding from the mid-18th century offers 3 bedrooms with bathroom, livingroom with open kitchen and terrace in the immediate vicinity of the ambitious small village Ses Salines. It gives you an ideal investment opportunity to revitalize the existing Mallorcan tradition by restoration and expansion. In addition to the existing electricity supply you find a 100m deep well with a top water quality, a 30,000 liter cistern and a variety of different types of trees such as pomegranate and almond trees. The famous beaches of Cala Santanyi, Cala Llombards and the natural beach Es Trenc are nearby.
