INTERNATIONAL: Building plot for a villa with seaview / Sri Lanka

This 2,124 m² (84 perch) plot is ideal to build a villa or a small holiday complex. It is located in the 2nd sea line of the fisher village Kosgoda and only 200 m from one of the most spectacular, palm-fringed dream beaches in Sri Lanka. You find a shell of a villa is on the plot, which you can use as a base or you are going to implement your own idea. The fine sandy Kosgoda Beach has a length of 4 km. Near the plot are the rearing farm for sea turtles and the Maduganga Lake, which invites you to take a boat trip through the jungle idyll of Sri Lanka. You find the diverse island metropolis of Colombo 90 km away.
