

Ref.: CPIPL602

Price: 125.000 €

City: Cala Pi

Building plot with a 300 m2 project

Take the chance and build your own 300 m2 house in the coastal town of Cala Pi, which is known for its rocky coast and the well-known bay of Cala Pi.

The property is located in the outskirts on a green strip and you can enjoy a fabulous view from the upper floor of the house to the Mediterranean sea, that is just 200 m away. The island metropolis of Palma with its international airport can be reached in 20 minutes.
