Finca building plot in an enchanting private location near Porreres

This privately located 15,254 m² building plot is located in the middle of enchanting nature, just 2 km from Porreres.

Build the finca of your dreams in this dreamy Mallorcan landscape.

You can build up to approx. 500 m² including the existing 38 m² casita ruin.

In the lively and charming village of Porreres with 5,500 inhabitants you will find various small shops and an inviting market square with its typical bars and restaurants.

It is only 20 minutes to the island metropolis of Palma with its world-famous cathedral, old town and the island's international airport.
